

OIL EXPRESS
EAST FALMOUTH, MASSACHUSETTS

Oil Express of East Falmouth, Massachusetts has Heating Oil Partners, L.P. (HOP) as its parent company. Oil Express is a retail fuel oil distributor and is also a service center for heating and cooling sales, installations, and repairs.

ENVIRONMENTAL PERFORMANCE

Past Accomplishments

Oil Express has demonstrated its commitment to environmental performance in the areas of reduced hazardous materials use and reduced vulnerability and potential for releases. Since 1998, the facility has:

- **Reduced hazardous materials use** by 100% through substitution with non-hazardous, non-chlorinated materials.
- **Reduced vulnerability and potential for releases** through replacing three single-walled storage tanks with double-walled tanks.

Future Commitments

Oil Express has also committed to continued environmental improvement. By 2004, the facility will:

- **Reduce emissions of particulate matter** by 20% (for approximately 2.6% of Oil Express's customers) through increasing the number of customers' units upon which they perform a 21-step Preventative Maintenance Inspection and encourage installation of new equipment to replace older inefficient units.
- **Reduce energy use** by 2.75% (for approximately 2.6% of Oil Express's customers) through increasing the number of customers' units upon which they perform a 21-step Preventative Maintenance Inspection and encourage installation of new equipment to replace older inefficient units.
- **Reduce vulnerability and potential for releases** through inspecting, checking for leaks, and labeling customer fuel oil tanks prior to first fill.
- **Increase use of recycled materials** to 525 gallons/year through filtering and using recovered fuel oil in place of new oil.

COMMUNITY OUTREACH

Oil Express's Community Outreach is to submit its Spill Prevention, Containment, and Countermeasure Plan to the local Emergency Planning Commission and designate the General Manager as the point of contact for community concerns. Oil Express's parent company has set up an "Environmental and
